方案二

单元入口做法

The background features a vibrant, abstract design with flowing, wavy lines in shades of red, orange, and pink. The lines are layered and semi-transparent, creating a sense of depth and movement. Three bright, multi-pointed starburst sparkles are scattered across the composition: one in the lower-left corner, one in the middle-left area, and one in the upper-right area. The overall color palette transitions from deep red on the left to a bright, almost white glow on the right.
